World-famous Tenor, Says

"Tuxedo completely satisfies my tobacco taste. Most important of all, from a singer's standpoint, Tuxedo does not irritate my throat."

"Tuxedo Does Not Irritate My Throat"

That's what the world's greatest tenor says about Tuxedo. That's what you will say about Tuxedo after you've given this mildest and pleasantest of all tobacco a week's trial.

Tuxedo

The Perfect Tobacco for Pipes and Cigarettes

The original "Tuxedo Process" of refining mild Kentucky Burley, mellowed by 3 to 5 years' ageing, positively removes every particle of harshness and "bite".

Put Tuxedo to the pipe test. That will show you why, to millions of men, Tuxedo is the only "just right" smoke.

Three Hurt When Trains Collide Near Hillsboro

Hillsboro, Or., May 23.—Three men were seriously injured this morning when a Southern Pacific local freight train crashed into the rear of a gravel train on a long trestle west of Hillsboro. Two cars and the tender were thrown to the ground 20 feet below. Engineer Holberg was caught in the cab and badly crushed. Fireman Sick-som and Drakeman Kammell jumped to the ground. All three were rushed to a Portland hospital on a special train. The wreck blocked the track and passengers on the Southern Pacific electric trains were taken to Forest Grove and Hillsboro by automobiles.

TENNIS FANS HAVE
EYES ON M'LOUGHLIN

Expect Him to "Come Back" in Contest for Championship—Other Sport News

San Francisco, May 24.—Interest in tennis on this edge of the continent will be revived next Saturday when the San Francisco championship play begins. This will be followed by several minor tournaments, the competition for the state title and then the Pacific coast championships at Del Monte, July 17 to 24.

Maurice E. McLoughlin, former champion, will be the most watched in the Del Monte play. Many believe he can "come back" to his old world famous ranking form again. McLoughlin is playing several times a week in Los Angeles with his historic partner, Tom Bundy. He attributed his decline last year to too much work on the courts, so is now taking it easy.

William M. Johnston, champion of America, Mrs. May Sutton Bundy, Florence Sutton and a number of other well known players are to compete at Del Monte.

Miller O'Connell Draw

Portland, Ore., May 21.—Four two hours and thirty minutes Walter Miller, middleweight wrestling champion, and Eddie O'Connell, tugged and hauled at one another last night, but neither could pin the other's shoulders to the mat.

Miller apparently was weakened by making the required weight—148 pounds at 3 p. m. Two months ago he defeated O'Connell at catch weights. O'Connell claims his welterweight wrestling championship.

Willie Hoppe Champion

Los Angeles, Cal., May 24.—Willie Hoppe, of San Francisco, was today acclaimed four round lightweight champion of the Pacific coast as a result of his victory over Eddie Brewster of Seattle here last night.

The fight was the hardest contested mill witnessed here in several seasons. From the opening going until the end of the fight it was impossible to ascertain who would win. The two men were evenly matched. The first two rounds were a draw. During the latter two Hoppe appeared to gain a slight advantage, but it was not until the decision was announced that Hoppe was regarded as winner.

New Motorcycle Record

San Diego, Cal., May 24.—The Los Angeles-San Diego motorcycle record was shattered today by Roy Arlie, on a Henderson, when he made the trip in two hours and twenty-two and a half minutes, clipping 14 1/2 minutes off the former record, held by Art Holmes. Arlie averaged 82 miles in spots. His mileage was 120.

Stanford Gets Hard Jolt

Boston, Mass., May 24.—Stanford university's hopes of making a formidable showing in the big intercollegiate meet at Cambridge next Friday and Saturday received a shock today when it was announced that Moreth House of Riverside, Cal., the westerner's crack hurdler, was ineligible to compete.

House is a freshman who ran in open competition before entering college. He is barred under the rules which barred Duffy a few years ago. At the meeting of the governing board of the meet tomorrow, an attempt will be made to have House reinstated.

Dalton to Join Seals

Salt Lake City, Utah, May 24.—Jack Dalton has apparently changed his

mind after all. Manager Harry Wolverton, of San Francisco, today received a telegram from Owner Navin, of the Detroit Tigers, stating that the hard hitting outfielder was prepared to leave for the coast to join the Seals on an hour's notice. Wolverton said he does not take seriously press reports from Detroit that Dalton was balking.

At San Francisco—Oakland, 4; Los Angeles, 2.

Speed Martin, "single handed and alone," was almost enough to beat the Angels yesterday.

He had the southerners gashing the sephers—pretty chill sephers at that—with regularity, and obliged with many fancy fielding exploits worthy of loud cheers.

The Oaks stood by him without a falter and played errorless ball so the score was 4 to 2 with Los Angeles on the lenn end of it.

A single by Rosenberg in the ninth at Los Angeles was enough to give Vernon a victory over Portland.

Higginbotham was flocked out of the box by the Tigers in the third and Kelly had a hard road to travel until the ninth when at the heavy cudgels of Mr. Rieberg he at last received his coup de grace, whatever that means.

Jerry Downs was the star athlete at Salt Lake, where his trusty ash drove in five of San Francisco's nine runs. Salt Lake got only four.

Cubs beat Philadelphia when Schulte batted in the fourth.

Oh, look! The St. Louis Nationals won a game. They beat the Braves. Horshy contributed to this miracle with a four secker.

Pfeffer of Brooklyn let down the Pirates with two hits. Six to nothing.

Giants made it 12 straight by defeating Cincinnati, 4 to 3.

Mathewson saved the New Yorkers, sniping in the ninth when Benton availed.

Ring Tabloids

Buffalo.—Although he outweighed his opponent 17 pounds, Bob Devere, of New York, was no match for Jack Dillon in their 10-round bout here. The Indianapolis boxer easily outboxed and outgeneralized Devere.

Boston.—Johnny Griffiths had no trouble in disposing of Willie Beecher here last night and was awarded the decision at the end of 12 rounds of fast milling.

New York.—Italian Joe Gans and Albert Badou will box 10 rounds here tomorrow night. Badou claims the European welterweight title.

Philadelphia.—The scheduled six rounds were all that was necessary to prove Johnny Dundee's superiority over Jack Fleming last night.

BODY OF LOST MAN FOUND

Eugene, Ore., May 24.—The bleached bones of a man, probably W. Buckman, of Harrisburg, lost in the mountains 10 years ago, were found three miles above Millet, a sawmill town in the Mohawk valley, yesterday morning, and Sheriff Barker now has the skeleton in his office. Identity will soon be fixed. The skeleton was found by John Cohill, working for the Coast Range Lumber company.

From its position it is judged the man died while lying on his back and with his arms out stretched. No wild animals had apparently disturbed the body during the years that it lay among the leaves and debris of the woods.

Company M engaged in battalion drill last evening, under command of Major Abrams. The boys were divided into three companies under command of Captain Gehlman, lieutenant Compton and lieutenant Neer with lieutenant Spaulding as battalion adjutant. The work was put on between the court house and the post office.

Quinaby Ball Players
Defeated Hayesville

(Capital Journal Special Service)
Quinaby, Or., May 24.—A baseball game Sunday on the Buena Crest school grounds between Hayesville and Quinaby, resulted in a victory for Quinaby. A large number attended the game.

The closing of the Quinaby school was marked by an excellent entertainment under the direction of Miss Evelyn Nash and Ray Girod the teachers. The event took place Saturday evening at the school house, refreshments being served.

The most market of George Beckner recently opened in attracting trade from a considerable distance, the equipment being modern and stock much superior to that peddled around the dusty country in wagons. The shop itself is much like a bungalow in appearance and occupies a rustic setting under the fir trees.

The death of Mrs. Jane Bean in Salem on Thursday was much regretted by her friends here. She was the mother of Mrs. Nellie Burns and had been visiting her here the latter part of March, when she was stricken with paralysis on the train on her way home to Salem, the same having caused her death the other day.

C. H. Pratt and Frank Williams motored out from Salem last week in the interests of Mr. Pratt's candidacy for constable, and while Mr. Pratt was defeated at the polls he made a number of friends during his campaign.

George Sturgis drove over from Wrens, Benton County, Thursday, on business. He was for many years a resident of this section and plans to return to the vicinity of Salem to reside.

The rains are proving beneficial to everything but the strawberries, and they are in need of sunshine very badly.

Principal Object Seems
To Be To Grab Some Office

New York, May 24.—With the arrival of Mrs. Josiah Evans Cowles of Los Angeles to begin her campaign for the presidency of the National Federation of Women's clubs, the fight for that office was on in earnest today.

Mrs. Sneath of Ohio, is also a candidate. Mrs. Cowles declares she has nine solid western delegations behind her as a starter. New York is solid for Mrs. Sneath.

Chairman of the convention committee met today. A reception is scheduled for tonight.

Committee Recommends Brandeis' Confirmation

Washington, May 24.—The senate judiciary committee today recommended confirmation of Louis D. Brandeis as associate justice of the United States supreme court. The vote was 10 to 8 on straight party lines. Senator Childs of Tennessee voted with the other democrats in favor of confirmation.

Friends of Brandeis are jubilant. They forecasted that the floor division of the senate would be similar to the committee vote and make Brandeis a winner by an easy margin. Cummings was absent from committee when the vote was polled, but his ballot was counted for Brandeis.

A protracted fight in the senate is expected by Brandeis. The matter of his appointment is likely to be reached within a week, with a long drawn out debate and a possible filibuster.

Backers of the appointment of Trade Commissioner Rublee, held up by the senate, are expected to seize this opportunity to urge that his name again be submitted for confirmation.

Prohibition Bill Is Up For Action Today

Victoria, B. C., May 23.—The prohibition referendum bill, which passed caucus last Tuesday will come before the house this afternoon. With it will be introduced the bill for the referendum extending the franchise to women as well as several measures which must go through the house before the referendum can legally be taken.

Included in tomorrow's amendments to the election act and other present legislation will be one giving all soldiers the vote. This means the men in Flanders as well as those in the old country and in Canada.
